Positive Infinity Publishing, United States, 2013. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.Practically every church in the free world utilizes a sound system, but an alarmingly small amount of churches actually have trained personnel who can acceptably operate the system and allow the congregation to simply focus on Jesus. With an easy-to-understand approach, The Sound Guide de-mystifies and brings clarity to the essentials of the Audio Ministry and is simply a must-read for any person involved or affected by audio in the church.
