Date :2010-1-1. Ancient days: The spring, a day is morning. Valuable time can be seen early in the morning. As far as I know, the first thing the students go to school every day is the early study hall, or called Morning Reading, 30 minutes or 40 minutes range. Students use the morning clear-headed, good memory, energetic time, students read English or the language habits. This is a good arrangement. However, how to effectively use the morning reading time the teacher as it is to come on the official class, or is to arrange it by the students themselves as a formal class is actually a disguised plus hours, and arranged by the students themselves just read the text, the word back efficiency and low. Morning Reading need to study how to improve the effectiveness, so that there can be obtained every minute. Quick English Morning Reading 11 is to address this issue published. I saw part of the manuscript, writing the book that the concept of good. First, the book follows the student-oriented guide and help them take advantage of morning reading time, develop good study habits and self-inquiry learning ability so that they in the knowledge, skills, attitudes and values ??and so can be improved. With this booklet, students will learn to consciously formulate Morning Reading program, you can set their own goals, so that there each morning reading progress. Second, the law designed to meet student learning. Learning is cumulative. The book not only relying on the contents of each cell materials, but make up the missing materials. For example, the accumulation of knowledge section taken from...
