

A Memoir

By Samantha Abeel

Scholastic US, United States, 2005. Paperback. Book Condition: New. 206 x 140 mm. Language: English . Brand New Book. In this beautiful and chilling memoir, twenty-five-year-old Samantha Abeel describes her struggles with a math-related learning disability, and how it forced her to find inner strength and courage. Samantha Abeel couldn't tell time, remember her locker combination, or count out change at a checkout counter -- and she was in seventh grade. For a straight-A student like Samantha, problems like these made no sense. She dreaded school, and began having anxiety attacks. In her thirteenth winter, she found the courage to confront her problems -- and was diagnosed with a learning disability. Slowly, Samantha's life began to change again. She discovered that she was stronger than she'd ever thought possible -- and that sometimes, when things look bleakest, hope is closer than you think.

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
