

Whitehall

By William Flood

Arcadia Publishing (SC), United States, 2015. Paperback. Book Condition: New. 234 x 165 mm. Language: English . Brand New Book. The city of Whitehall, skirting the eastern edge of Columbus, Ohio, is an undiscovered treasure of postwar America. The Lustron Corporation, based in Whitehall, lays claim to the origins of the prefabricated housing industry. The nation's first shopping center, the Town and Country, was built in the village in the late 1940s. The National Road passes through Whitehall, which helped create businesses offering lodging, meals, and entertainment on par with those along the storied Route 66. Images of America: Whitehall also pays homage to one of the most beloved tiki restaurants ever to grace the country: the famed Kahiki. This chronicle seeks to honor the amazing history of the City of Pride.
