

The Law of Attraction Without Magical Thinking

Filesize: 4.04 MB

Reviews

A whole new e book with a brand new standpoint. I have read through and i also am certain that i am going to planning to read again yet again later on. I found out this book from my i and dad advised this pdf to learn.

(Audrey Lowe I)

THE LAW OF ATTRACTION WITHOUT MAGICAL THINKING

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This invaluable resource is full of explanations, the answers to any questions you have regarding the truth behind Law of Attraction. It's not just another book on manifesting your desires like magic. The words contained within are beyond what is typically discussed, even by fully trained Law of Attraction advocates. This book will completely change your view of the new age thinking behind the Law of Attraction and give you a clear understanding of what it really means to create positive changes in your life. Whether it be for wealth, happiness, career, love, or health, you will realize the unmistakable truth, the secret if you will, to the mystery of getting what you want. Every mind is creating reality at this very moment. But it's not some magical force from a fairy tale world that is the reason behind how this happens. It is backed up by scientific evidence and cold hard facts. You will also discover the link between hypnosis, meditation, and other paradigms of the Law of Attraction in action, and how our reality is affected. Possibly one of the biggest secrets unveiled in this book is the fact that things are not attracted to you. In fact, it is you who are attracted to things. This book brings awareness of the blame the victim mentality that so many Law of Attraction advocates believe in. People do NOT bring on everything that happens in their lives, and it's time that a book about the Law of Attraction admits that. This one does, and provides an in-depth explanation of exactly what flawed reasoning brought that kind of thinking in the first place. Some Law...
