Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A New Primary Geography Since the last general revision of Warren s Primary Geography so many successive editions have been called for, that it has again been found necessary to renew the electrotype plates from which it is printed. Taking advantage of this opportunity, and in order to make the book still more deserving of the generous support of its many friends, the publishers have prepared for this latest edition a new set of finely-engraved maps, containing all the latest discoveries and changes. Many new cuts have been added, care being taken to select subjects that will not merely adorn the page, but will also really illustrate the text. There has been a general and just complaint that the maps in the various Primary Geographies, which should be even better and more attractive than those in larger books, are very defective and uninteresting. It is believed that this objection cannot fairly be made to the present work. Before preparing the new plates the text was carefully examined, and many teachers were consulted with regard to the desirability of making changes in matter or arrangement. It was, however, decided that, since the book had been found so successful and satisfactory in the schoolroom, such changes would be more or less experimental, and the gain, if any, too slight to compensate for the difficulty of using it with previous editions, in the same classes. Hence, with the exception of the alterations made necessary by the progress of geographical discovery and by recent political changes, the present book corresponds, page for page, with the previous edition. The following extracts from the former Preface will show the general plan...
