BRAND NEW, The Sharing Knife, Lois McMaster Bujold, The concluding volume in the epic fantasy saga from multiple Hugo Award-winning author Lois McMaster Bujold. A Lakewalker entrusted with protecting the populace from terrifying remnants of ancient magic, Dag Redwing Hickory never expected to fall in love with farmer girl Fawn Bluefield. When they joined in marriage, defying their kin, they bridged the perilous split between their peoples. Now Dag's extraordinary maker abilities have grown--along with his fears about who and what he is becoming, and his frustration with the disdain in which Lakewalker soldier-sorcerers hold their farmer neighbors. Fawn and Dag's world is changing, and the traditional Lakewalker practices cannot continue to hold every malice at bay. At the end of their long journey home, the pair must answer the question they've grappled with for so long: When the old traditions fail disastrously, can their untried new ways stand against their world's deadliest foe?.
