

Little Miss: A Father, His Daughter Rocket Science

By Nathan Meikle

Createspace, United States, 2014. Paperback. Book Condition: New. Nathan Meikle, Ginny Jenny (illustrator). 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****.Little Miss is the story of a two-year experiment Nathan Meikle conducted with his daughter Kyla. When Kyla was two years old, Nathan taught her to read at a kindergarten level. By age three Kyla could read at a 3rd grade level. But Nathan never thought Kyla was gifted--he s convinced that others will achieve similar results using the same techniques. Moreover, given that a small advantage early in life often leads to a large advantage later--especially in reading ability--Nathan wanted to share his experience. Little Miss is that story: how and why he taught his toddler to read. But Little Miss is also a story within a story. In the process of teaching Kyla to read, Nathan discovered research on the benefits of reading to children. He had always known that reading to Kyla was important, but had never known exactly why. The research inspired him to find all of the best children s books--thousands in the next year--and read to Kyla daily. The more good books he found, the more they...
