This type of pdf is everything and helped me searching ahead and a lot more. It normally does not expense a lot of. You wont really feel monotony at anytime of the time (that's what catalogues are for relating to should you request me).

FOUR FRIENDS

AuthorHouse. Paperback. Book Condition: New. Paperback. 24 pages. Dimensions: 8.5in. x 8.5in. x 0.1in. About the Book: A little boy who is the son of a poor gardener works on the palace grounds of an unhappy king. This very rich king is unkind as well as uncaring about the lives of his servants and subjects. One day, while walking on the palace grounds, he meets the little boy. The king, due to his selfishness, has never before noticed the boy. He does observe, though, that the boy is poorly dressed but is smiling. He wonders what can make this boy happy enough to smile. The king insists that the boy tell him what makes him happy. The boy finds the courage to lead the unhappy king deep into the forest, where they will meet four friends. The four friends, a bird, an elephant, a monkey, and a rabbit, will share with the king in a colorful way the wisdom that brings happiness. The Buddhist Jataka stories are ancient, dating at least from the time of the Buddha, 2,600 years ago. Reminiscent of Aesop's fables in their characterization of animals, the Jataka tales gently teach vivid moral lessons. These elegant stories are appropriate for children and adults alike. Donatella Cardillo-Young's fresh retelling of these ancient tales communicates to a modern audience and retains the clear imagery and the simple truths of this literature. In so doing, she has provided a valuable addition to a body of literature that has withstood the test of time and continues to offer entertainment and meaning to impressionable young minds. - Frank Howard, Director, Amitabha Foundation When a king who has everything is unhappy, what does it take to make him happy? The Four Friends is Donatella Cardillo-Young's retelling of a lovely folk tale from Nepal, with gentle advice for all of us. - Vivian Vande Velde, author, Tales from the...
