My opinions were considered by Mr. von Rosthorn of sufficient importance to induce me to undertake an exhaustive enquiry on the different dialects of China with the material industriously collected by Mr. Parker and inserted in Mr. Giles Dictionary. The first results of my studies are contained in the following pages. I have carried on my investigation on a novel plan, but if philology is one of the Natural Sciences, it cannot be excepted from the general treatment accorded to the class: the collection of numerous specimens and their comparison, with the application of mathematics (at least in the elementary form of statistics) become...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
