Civil Coping Mechanisms, United States, 2013. Paperback. Book Condition: New. 202 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.The gauze of James Pate's nightmare, critical cinematic beauty keeps rising falling on a crimson couch, a scarlet curtain a crisp red light -like Homer's rosy-fingered dawn. like Homer the language is measured, simple deliberate. Noble. But detonates in torturous rampaging music -in the the lemon of the pig. The glory and run-off of the pig. The nightmare is inside. the nightmare is outside. the critic is a man. the critic is a woman. the Fassbinder film just keeps on playing- in a haze of pink dust. -Rauan Klassnik, author of *The Moon's Jaw Raised* in the urban ruins of Memphis Tennessee, in the wake of riots and assassinations, James Pate's fantasies and visions draws on the occult atmosphere of devil-blues, underground trash and gothic pageantry. His work inhabits a saturated zone of violence and artifice, hate and love. For the past 15 years he has been one of my favorite writers and closest collaborators. -Johannes Goransson, author of *Haute Surveillance* James Pate draws the veins together with this pulpy ode to Fassbinder. It's burnt with shades of Klassnik Kitchell, Evenson Glenum, but it's also its own night raid-these poems read like the transcript of a documentary about two sexless artists as they run loops of long-dead film stock through a haunted Arriflex, dying to record blood-slicked mannequins lit by meat locker fluorescents. Pate gets it. -Ken Baumann, author of *Solip*.
