From growing up in a very Roman Catholic, working class district of Montreal, he compellingly details his early struggles with his identity and his own spiritual beliefs as he shares his journey from altar boy to spiritualist medium. Crinitas personal exploration is not only brutally honest but is infused with empathetic, colourful individuals, mentors and teachers who have influenced and helped shape his life. He carefully leads us into the mystical world of Psychic Phenomenon, Mediumship, Spirit Materializations and Spirit Guides. He reveals how lost and struggling spirits are guided into the Light and an eventful encounter with The Ghost of CHOM. Unexpectedly, this is not solely an autobiographical work but a clearly written spiritual handbook that discloses for the reader, provocative questions that have concerned many for years: Does the personality survive death How do we know when spirits are around us Are people happy in the spirit world . . . etc. As well, we are made privy in the Spirit Talks chapter, to some of the authors inspiring transcripts of actual readings spanning over 30 years. In Spirit Nudges, he shares his and other peoples experiences of spirit. Crinita, author of THE MEDIUM TOUCH, FROM CHAINS TO WINGS, THE JOURNEY INTO SPIRIT and HEALING POEMS OF SPIRIT unveils his experiences and life lessons with such candor that the reader is truly a willing companion on his very personal journey and recount of THIS MEDIUMS LIFE.
